

Vaccinations

REVIEWS

Pub. Date: October 2021
ISBN: 9781642657937
List Price: \$75
Annual Subscription: \$345

“Vaccinations includes articles from Teen Vogue, the Guardian, Vox, and Poynter focusing on U.S. COVID vaccination, though several pieces also consider the history of vaccines. Coverage is generally pro-vax; some articles discuss vaccine hesitancy, effects of medical racism (like mistrust of vaccines, particularly among Black Americans), and the business of vaccination. In both books, each section is grounded by an uncredited introductory essay.”
