1. Libraries 2. Reading promotion 3. Libraries and community 4. Authors 5. Public relations 6. Book clubs 7. Public speaking 8. Interviewing 9. Literary prizes 10. Professional materials — Programming

LC 2016000487

Using this guide, libraries can connect book lovers eager to learn about recent and noteworthy books to authors and fellow book lovers.

"Hooper's guide is written in a conversational tone that encourages staff to get excited about planning their library's reading and book programs... Provides valuable information and insights." —*Library Journal*

Includes bibliographical references and index.

021.7 Promotion of libraries, archives, information centers

Mahood, Kristine

Booktalking with Teens. Kristine Mahood. Libraries Unlimited 2010. XII, 289 p.

ISBN 9781591587149

Grades: Professional

021.7

1. Book talks 2. Teenagers 3. Young adult literature 4. High school libraries 5. Reading promotion 6. Books and reading 7. United States 8. Educator resources — English Language Arts 9. Professional materials — School media centers 10. Reference books — Bibliographies and indexes

LC 2009049893

Offers a guide to help librarians improve booktalks for teenagers that discuss teenage reading experiences.

Includes bibliographical references (p. 281-283) and index.

023 Personnel management (Human resource management)

Boland, Becca

★ *Making the Most of Teen Library Volunteers: Energizing and Engaging Community*. Becca Boland. Libraries Unlimited, an imprint of ABC-CLIO, LLC 2020. XIX, 150 pages

ISBN 9781440865626

Grades: Professional

023

1. Volunteers 2. Libraries 3. Teenagers 4. Teenage volunteers 5. Teenagers' library services 6. United States 7. Professional materials — General

LC 2019051212

The book begins with the big picture, discussing benefits to teens, libraries, and communities; it then reviews volunteer types and volunteer possibilities for teens, including the traditional roles of shelving and programming as well as passion-led projects, programming opportunities, and special initiatives and drives. Specific volunteer roles are described in depth, with instructions for practical applications, and concrete examples and experiences from various types of libraries illustrate principles discussed.

Includes bibliographical references (pages 139-145) and index.

025 Operations of libraries, archives, information centers

Johnson, Peggy

Fundamentals of Collection Development and Management. Peggy Johnson. ALA Editions, an imprint of the American Library Association 2018. XIII, 418 pages

ISBN 9780838916414

Grades: Professional

025

1. Collection management (Libraries) 2. Materials selection (Libraries) 3. Library materials 4. Professional materials — Collection development

LC 2017051474

Johnson has revised and freshened this resource to ensure its timeliness and continued excellence. Consideration is given to traditional management topics, cooperative collection development and management, licenses, negotiation, and other purchasing and budgeting topics, and the ways that changes in information delivery and access technologies continue to reshape the discipline.

Includes bibliographical references (pages 375-381) and index.

025.04 Information storage and retrieval systems

Brown, Christopher C.

Librarian's Guide to Online Searching: Cultivating Database Skills for Research and Instruction. Christopher C. Brown and Suzanne S. Bell. Libraries Unlimited 2018. XXIII, 374 p. : Illustration

ISBN 9781440861567

Grades: Professional

025.04

1. Professional materials — General

LC 2018011054

This book describes the background of how databases work; how they are constructed and in the case of some databases; how they transitioned from the legacy print world to an online environment; how technologies within databases can interact with other products like bibliography citation services, outbound linking to full text content, and social media mentions; and the methods used by libraries to provide access to licensed content from anywhere in the world.

Includes bibliographical references and index.

025.1 Administration

Dresang, Eliza T.

Dynamic Youth Services Through Outcome-Based Planning and Evaluation. Eliza T. Dresang, Melissa Gross, Leslie Edmonds Holt; foreword by Virginia Walter. American Library Association 2006. XVI, 155 p. : Illustration

1. School libraries 2. School librarians 3. United States 4. Professional materials — Library management 5. Professional materials — School media centers

LC 2022049118

The seventh edition of this comprehensive school library management text expands upon the role of the school librarian, especially in the ever-growing digital realm, and highlights the importance of school librarian leadership and outreach.

Includes bibliographical references and index.

025.2 Acquisitions and collection development

Alabaster, Carol

Developing an Outstanding Core Collection: A Guide for Libraries. Carol Alabaster. American Library Association 2010. X, 191 p. : Illustration

ISBN 9780838910405

Grades: Professional

025.2

1. Public libraries 2. Professional materials — General

LC 2009040342

Presents guidelines to developing a high-quality core library collection, and includes discussions on the philosophy behind core collections, strategies for their implementation, and lists containing selection criteria.

"The author suggests that the general public needs materials beyond current best-sellers and ready-reference works; that those materials should be high-quality, enduring pieces; and that librarians are the best persons to decide what constitutes appropriate core collections for their communities. [She also] addresses the technological changes that drastically affect reading habits and our ability to satisfy the needs of the people's university. [This book is] required reading for all those charged with the task of adult collection development." —*Booklist*

Includes bibliographical references and index.
